

Decline to Sign Church Announcement 1

Have you heard about the petition signatures being gathered to place the Arkansas Abortion Amendment on the November General election ballot?

Are you looking for ways that YOU can help to stop it?

Well, look no further! You can help to stop this amendment by joining Family Council Action Committee's "Decline to Sign" campaign. When you join the "Decline to Sign" campaign, Family Council Action Committee will provide placards that you can use as "conversation starters" and flyers that can be used as educational pieces so that you can answer questions and encourage your neighbors not to sign the petition. You can also use these materials to oppose the abortion amendment and educate voters at polling places in your neighborhood on Primary Election Day, March 5th. Think that you may not be able to gather at a polling place? Well, there are more ways you can help. You take these placards and flyers to any gathering and they can be used until July 5th when abortion petitions are turned in, you can also share this information on social media, and last but not least, you can send a generous tax-deductible donation to Family Council Action Committee to help with the anti-abortion campaign. By joining the "Decline to Sign" campaign, you can make a difference for Arkansas in your neck of the woods.

To join the "Decline to Sign" campaign, go to FamilyCouncilActionCommittee.com or for questions, call Family Council Action Committee at 501-375-7000.

Decline to Sign Church Announcement 2

Arkansas' culture of life is under attack! There is a petition being circulated to allow the Arkansas Abortion Amendment on November's General Election ballot. This amendment is more extreme than Roe v. Wade, and writes abortion into our state constitution. If Arkansas is to defend its position as the most pro-life state in the nation, then the church has to work together to stop this pro-abortion amendment.

Arkansas needs YOU!

You can help by joining Family Council Action Committee's "Decline to Sign" campaign. When you join the "Decline to Sign" campaign, Family Council Action Committee will provide placards that you can use as a "conversation starter" and flyers that can be used as an educational piece on the amendment so that you can be prepared to answer questions and encourage your neighbors not to sign the petition. You can also use these materials to oppose the abortion amendment and educate voters at polling places in your neighborhood on Primary Election Day, March 5th. Think that you may not be able to gather at a polling place? Well, you take these placards and flyers to any gathering and they can be used until July when abortion petitions are turned in. By joining the "Decline to Sign" campaign, you can make a difference for Arkansas and protect our culture of life.
