Meth, opioids, heroin, and fentanyl are killing our kids. Now the same liberals who want gun control, open borders, and defunding the police want us to legalize drugs.

## Enough is Enough

Marijuana involved in  
1 in 4 **road deaths** in  
Colorado

Don't be fooled. Only 15% of the 10%  
tax revenue will go to law enforcement

Meaning, only  
**1.5%**  
goes to police

Currently, THC in  
Medical Marijuana is  
limited to 10mg per  
serving. This amendment  
**REMOVES ALL  
THC LIMITS**

**Child suicides** rose  
 **140%**  
in Colorado after  
marijuana was  
**legalized**

This amendment loosens packaging  
requirements, significantly increasing  
the likelihood of **poisoning children**

Marijuana users are  
 **2X**  
as likely to move on  
to **abuse opioids**  
according to studies

**WE DON'T NEED ANOTHER DRUG PROBLEM**
