Religious Freedom Issue 3

November 8th

"Religious freedom is under attack. The Arkansas Religious Freedom Amendment protects everyone's freedom of religion equally." -*Jerry Cox, Family Council President*

Religious Freedom Matters Because:

- Ministers should not be **prosecuted** for what they **preach**
- Doctors should not lose a license for **refusing** to do an **abortion**
- **Children** should not be taken because they're **unvaccinated**
- It should not be a "**hate-crime**" to live out your **faith**
- **Churches** should not be **closed** by the **government**
- **Business owners** should not be **fined** for operating by their **faith**

Religious congregations provide over **\$1 trillion** in services to over **70 million** needy Americans annually

Enough is Enough

Don't Let Them Cancel Your Faith

Issue 3 **affirms** student rights when school boards push **liberal agendas** and violate religious freedom

Issue 3 helps **protect** all **faiths** against **mandates** from the **government**

Arkansas currently has **less** religious freedom than **our** **surrounding states**

Pew Research: Christianity is the **most persecuted** religion in the world

In Canada, it's a **crime** to provide conversion therapy to **help** homosexuals recover

NOW atheists are **suing** to remove the **Ten Commandments** from our **State Capitol**
